More about activities in this month

- **Career Counseling Symposium:** The Career Counseling Symposium program related to further studies is on 6 Magh (20 January). The counseling covers further studies options, institutional search, scholarships or grants, and career counseling. We strongly feel that having a career choice in mind from the beginning steers a student's search for college majors, which, in turn, guides the choice of college. Further, career-focused students are confident, motivated to persist, and earn their degree on time.
- **Results and Parents-Teachers' Meeting & Interaction – +2 & AS Level:** The Result Distribution Program of the Second Term Exam is on 7 Magh (21 January). We expect, as usual, all parents or guardians along with their wards to attend this function. Parents-Teachers' Meetings & Interaction are held during this program to facilitate student academic progress and to incorporate parental feedback.
- **Intra-College Competitions:** During this month three Intra-College competitions are held – Band Competition 14 Magh (28 January), Web Designing Competition 20 Magh (3 February) and Photography Competition 29 Magh (12 February). Interested students must register in the week preceding each of these competitions.
- **Trinity Inter-College SciTech & Mgmt Exhibition-cum-Competition:** This event held on 16 Magh (30 January) is open to all +2 and A Levels students of the valley. Interested students representing their schools or colleges can participate either in individual or team items. Registration forms are available both online at www.trinity.edu.np and at the ECA department, Trinity International College, from 27 Poush to 5 Magh (11– 19 January). The theme is Science & Technology for Tackling Challenges in Our Life incorporating issues related to green energy, transport & communication, community health & environment, or innovative technology.
- **Grades XI & XII – NEB Exam Registration:** The deadline for NEB Examinations Registration is 17 Magh (31 January). All XI & XII students have to fill in NEB Examinations Registration Forms for appearing in the Board Exam in Baishakh. Students must submit their forms along with two PP size photos and NEB Exam Registration Fees. The Exam Registration Form will be available a week before the deadline. Please submit your forms well before the last day.
- **Academic Excellence Awards +2 & A Levels:** This is an annual function to reward students for academic achievement in the NEB & CIE Exams. Overall toppers among boys and among girls (Science, Management, & Humanities) and subject toppers are given awards during this ceremony. This is to motivate students to excel in their performance during each academic year thereby stimulating the overall academic milieu. The function will be held on 27 Magh (10 February) unless there is a delay in the declaration of results by the Boards.
- **Library Establishment:** The Colleges plans to set up libraries in this month in remote areas of Nepal to help in the education of local students as well as the public of these places. Trinity has been establishing libraries in different districts since 2008 on an annual basis. We appeal to everyone to help us accomplish this noble project by donating books, computers, or educational materials by 29 Magh (12 February).
- **Student Planners:** The deadline for the submission of Planners to the respective Director/Coordinator/Class Teacher for periodic evaluation is 29 Magh (12 February).
